Also on the same bill is "King of the Underworld" with Humphrey Bogart and Kay Francis.

ELKHART, Ind. (AP)—A car inspector, looking over a fast New York Central passenger train at Toledo, O., left a lighted lantern on the steps of a coach. The lantern rode the 133 miles to Elkhart, passing over five grade crossings, without turning over or extinguishing itself.

Gains in Sales Of Autos Cheer Dealers in R. C.

A feeling of optimism is being expressed by local business leaders following the announcement just released in "Motor Recorder" that registrations of new motor cars in California in January totaled 14,761, an increase of approximately 35 per cent over January of last year.

According to the final figures, Dodge occupied a strong fourth position in January registrations in the state, outselling all but the three lowest-priced makes. Dodge showed a sensational gain over January of last year of 85 per cent—nearly two and one-half times the rate of increase for the industry.

"For a number of years the sales of the automotive industry and particularly of Dodge have been re-

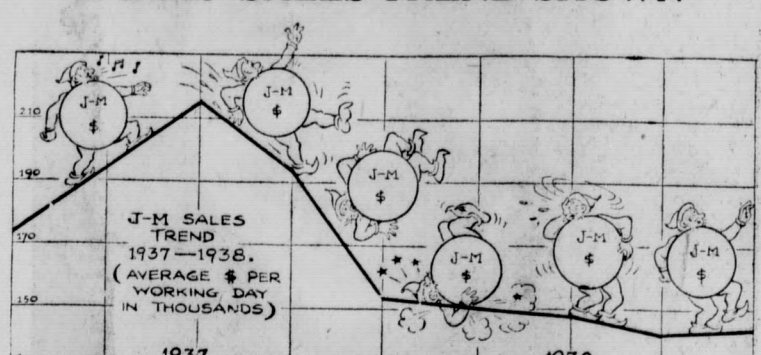

T. F. RYAN II IS DIVORCED
Thomas Fortune Ryan II, heir to a mining fortune and a relative of Thomas Fortune Ryan III of Hillsborough, was divorced at Casper, Wyo., Saturday by Mrs. Mayme Cook Ryan, who charged non-support.

Statisticians estimate that since 1776 America has produced three times as much wealth as the whole world produced before that date.

garded as a pretty accurate business barometer," said A. G. Sgarlato, Dodge dealer here. "To swing into the new year with such an impressive increase during the first month should be cheering news to all business and industry."

"On a number of occasions in the past, the automobile industry has led the country into new periods of business activity and we trust that the record in California in January is a forerunner of improved business all along the line."

FIRMS' SALES TREND SHOWN

Presenting the above drawing to illustrate the Johns-Manville sales trend in 1937 and 1938, "President Lewis H. Brown's Annual Report to Johns-Manville Jobholders" which was distributed to all local J-M employees here, comments: "As you can see, the J-M Sales Dollar had a rough time of it in 1937 compared to what happened in 1937. However, when business conditions became better along about the end of the Summer it began to feel a little more sure, stopped rolling downhill, and started to climb up a bit. When J-M's auditors 'closed the books' on December 31, 1938, the J-M Sales Dollar had grown to a total of \$31,689,063—a fourth less than in 1937, but still much better than it looked at the halfway mark."

Benefits From Trade, Practices Acts Told

Despite the fact the Fair Trade Act and the Unfair Practices Act have stabilized prices in California and have eliminated cut-throat competition, they have not resulted in increasing consumer costs, according to Walter Gnerich, secretary of the Northern California Retail Druggists Association, who spoke Tuesday to the Redwood City Exchange Club.

Gnerich, after tracing origin and development of the laws, explained that the Fair Trade Act protects trademarked merchandise while the Unfair Practices Act prevents selling goods at less than cost plus overhead—both being protective to the retailer, wholesaler and consumer.

Leo Fuller was chairman of the program.

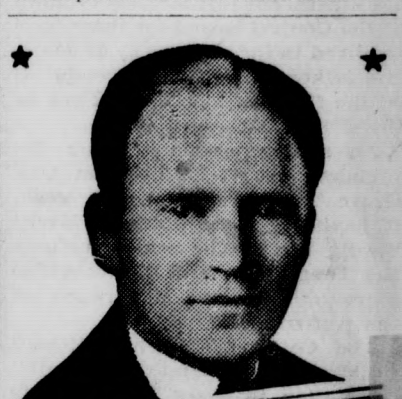

Records Handled By Local Store

Opening of a phonograph and record department is announced by the Variety Shop, 2639 Broadway, Redwood City.

Victor and Bluebird records will be handled, as will the new Victrola phonograph attachments for radios.

The store, of which Maud A. Goetz is proprietor, also deals in toys, gifts, novelties, stationery and greeting cards.

MENLO PARK NEWS NOTES

FOUNDERS' DAY FETE SET
MENLO PARK, Mar. 17—Founders' Day celebration will begin next Monday at a banquet to be given to the old timers who have lived in Menlo Park 60 years. There will be something doing all week and the grand pageant will wind up with a parade and dance Saturday evening. The various committees have worked diligently to make the affair a success. All the fraternal organizations are working hard for their respective candidates for judge and sheriff. The winners of the contest will be made known Saturday.

Robert Golder will attend the old timers' banquet Monday evening at the Central School for those having lived in the community 60 years. His father, Louis Golder, established the first hotel in Menlo Park in the sixties.

An ancient acacia tree on the premises of W. E. Dale on Oak Grove Ave. was cut down this week, it having become diseased. Every Spring the acacia would perfume the community and its beautiful blossoms were the admiration of the passersby.

The Catholic Women's Literary Guild will present "Galavanti's Ghosts," a three-act Irish comedy drama, in Palo Alto Little Theater, Community Center, Sunday at 2:15 p.m. The principal actors are from Menlo Park. The proceeds of the play will go to Corpus Christi Monastery. Those who attend may expect an afternoon of fun and laughter.

On Tuesday the city council rejected the petition of property owners on Crane, University, Menlo Ave. and other streets in that locality for improvements. Over 51 per cent of the land owners objected to the work and therefore the council had no alternative, according to law, but to reject the petition. The city has already spent \$1775 in preparing for the contemplated street work.

The chamber of commerce held its monthly banquet last Monday evening at the Oak Grove Villa Hotel. It was an enjoyable occasion and all applauded the program that was rendered during the courses of the palatable meal.

By the recent death of James Murray a vacancy has been created in the ranks of the U. S. Post Office rural delivery carriers. Postmaster Morey will fill the vacancy by the appointment of someone from the eligible civil service list on which there are several local citizens. The deceased held the position for some years. Mr. Morey is considering the plan of dividing the unusually large route and appointing two carriers.

The annual communion and breakfast of St. Joseph's Alumni Association will take place on Sunday, March 26. After the communion the breakfast will be enjoyed at the Gunwood Inn on Middlefield Rd. All members are requested to attend.

An ancient vehicle stored for years in the Menlo Park Hotel gar-

dens was removed to Treasure Island during the week. The old "bus" was used while Stanford University buildings were in the course of construction to convey workmen back and forth to the hotel. It originally did service in Sacramento where it is said to have been the conveyance that brought Governor Stanford to the capital from his home every day in the early sixties. Where the old land mark will find a resting place no one knows.

Isabelle Weeden Lindquist, hospital chairman of 26th district, American Legion, will present the following program at the Veterans' Facility today: Fred Rasmussen and his puppets; Ellen Kaar, violinist, with Addeene Marshall, piano accompanist; Joe Sullivan, Irish monologues; male quartet in group and solo numbers—Wallace Kemper, Jerome Snow, Leslie Heald, George Wilcox; accompanist, James Beckerly.

The American Legion Auxiliary Juniors and Sons of the Legion of Menlo Park and Redwood City are giving a joint dancing party Saturday night under the sponsorship of the local post and auxiliary.

District Deputy Pres. Thelma Moffett of Palo Alto Rebekah Lodge and her official staff were guests of San Mateo Rebekah Lodge Wednesday, Mar. 15. Mrs. Moffett made her official visit and the San Mateo lodge honored her staff on that occasion. Isabelle Weeden Lindquist sang the soprano solo which she has sung at all of Mrs. Moffett's installations this term.

Mrs. Carroll A. Devoil was chairman of the VFW auxiliary card party given in the Veterans' Memorial Building Wednesday afternoon.

Mrs. Jeanette O'Neil and Mrs. Marie da Moth were joint hostesses to the American Legion Auxiliary sewing group Wednesday evening.

Four Hurt in Two Burlingame Crashes

BURLINGAME, Mar. 14—Four persons were injured slightly in two accidents here last night, and one motorist was arrested on charges of reckless driving.

Barbara Molohan, 3, incurred a bruised right eye in a crash between cars driven by her mother, Mildred E. Molohan, Burlingame, and Mrs. Carrie Walker, San Francisco. Mrs. Walker and her daughter, Ena, incurred bruises on the head.

Einer F. Lono, 41, Burlingame, a South African mining engineer, was cut about the head when his car collided with a parked machine in front of the home of County Executive Frederick Peterson, Burlingame. Police booked Lono on charges of reckless driving and released him on \$50 bail to face charges Apr. 7. The parked car was owned by T. J. Morrison, Burlingame, and was forced into a tree.

NEW SCREEN CHARMER

John Payne, handsome young star, who scored a world-wide hit in "Garden of the Moon" is now featured in "Wings of the Navy," thriller-packed saga of the Naval Air Service, coming to the Sequoia Theater tomorrow (Saturday) for a 3-day engagement.

Mrs. Lucy J. Lown Passes Away Here

Mrs. Lucy Jane Lown, a resident of Redwood City for the past 55 years, passed away Monday at her home on Hilton Ave.

A sister, Mrs. Ella Nelson of Stockton, also survives.

3 To Be Elected On Local Boards

Elections to the various school boards in San Mateo County promised to become the next obligation of Mr. and Mrs. Voter. The election is scheduled for June 2, according to Pansy Jewett Abbott, county school superintendent.

In Redwood City, the terms of C. G. Uhlenberg on the elementary school board and of L. A. Barrett and Charles Merrill on the high school board expire.

NATURE'S WAY TO HEALTH
Recommending Yee & Ko Chinese Herbs
FOR BLEEDING BOWELS

Yee & Ko Herb Co.
Dear Sir: I am writing this letter to tell you how much your herbs have helped me.
I have been suffering from Bleeding Bowels and was continuously passing blood for quite a while. I have tried many other medicines, which did not help me.
Finally I took my neighbor's advice to come to you. After taking the first two doses of your herbs, I noticed that my passing blood gradually reduced, and after I had finished my week's treatment, I was completely recovered from my ailment.
I am writing this to testify the benefit which I received from your medicine, and now I gladly recommend Yee & Ko herbs to anyone who suffers.

Yours truly,

SAN MATEO, Mar. 13—For the second time in two months, Richard Anglasay, operator of Dick's Tower, Brisbane liquor resort, has been summoned to appear before a State Board of Equalization examiner to answer charges of liquor law violations.

Jack South, board publicity rep-

representative, said Anglasay and T. Chiesa, Daly City tavern owner, will appear before an examiner at 10 a.m. Saturday at the county courthouse on charges of selling liquor to minors.

Dep. Dist. Atty. Louis B. Demattels said he would present the evidence against Anglasay. The charge involves sales to Sar Mateo minors, a boy and girl, to which Anglasay pleaded guilty in superior court Feb. 21 and paid a fine of \$50 levied by Judge A. R. Cotton.

Anglasay appeared before the state examiner Feb. 3 on a charge of selling liquor after hours and his license was subsequently sus-

pended five days by the board. Demattais said he had no knowledge of the Chiesa case.

Fingerprinting of all proprietors of liquor stores and resorts is now being carried out by the board of equalization, South said.

About 50 persons are being fingerprinted daily.

All persons having on-sale or off-sale liquor licenses have been notified to register their fingerprints as soon as possible. There are 7000 persons in San Mateo County and San Francisco who must be fingerprinted, South said.

Because of increased activity the board has moved its liquor control

WALTZ ME AROUND AGAIN WILLIE

The return of the hoop skirt brings back the glamorous old dance steps. In six months—observers of the trend predict—the waltz, the polka, and the schottische will be edging out the jitterbugs.

This full-skirted net formal shown by the Clothes Closet, built of many diaphanous layers, is perfect for the whirl of the waltz, as demonstrated by Stanford's Shirley Jones and Jack Dawson.

Tony Sarg's Animals at the Exposition

Thousands of the opening week visitors to San Francisco's Golden Gate International Exposition, opening February 18th, are going to chuckle merrily at Tony Sarg's gigantic mural of happy animals. All this fun centers at the National Biscuit Company's "little theatre" in the Foods and Beverages Building.

For more than twenty years Tony Sarg, most famous of all puppeteers, has exhibited his delightful puppets and marionettes to enraptured audiences all over the world. He recently published a delightful book "Who's Who at the Zoo." Exposition visitors will be the first to see his idea of how happy all sorts of animals can be when they get together in frolicsome mood.

Mr. Sarg was in San Francisco last week to personally complete the installation of this new masterpiece of his. Elephants, giraffes, hippopotamuses, tigers, deer, rabbits and others of the animal kingdom gambol together in complete abandon in this fascinating mural which forms a running comic strip around the walls of the exhibit. They do some plain and fancy juggling with packages of Ritz, Shredded Wheat, Snow Flake Crackers, Honey Maid Grahams and other products.

The National Biscuit Company's motion picture theatre promises to be a mecca for Exposition visitors. Here they will see a specially produced Walt Disney technicolor motion picture entitled "Mickey's Surprise Party." The film, featuring Mickey Mouse, Minnie, Pluto and Fie, will be executed in the familiar Disney technique which has made millions smile, not only at the Mickey Mouse and Silly Symphony pictures, but also "Snow White and the Seven Dwarfs" and the current hit "Ferdinand the Bull."

The dangerous tse-tse fly of Africa has been largely controlled by use of screen traps.

Government figures indicate 61.2 per cent of the farmers in Oklahoma are tenant farmers.

After her maiden voyage from Liverpool in June, Britain's new 34,000-ton liner, Mauretania, will sail regularly to and from the King George V dock in London.

BOUQUETS FOR ORANGE SHOW

—C. N. P. A. Service

San Bernardino's National Orange Show will get real bouquets when it opens March 16th. A lavish flower show covering 10,000 square feet of floor space will be featured among the elaborate citrus displays. Linda Lee, Orange Show Queen in her regal robes discloses a package of natural beauty that visitors will behold.

CHANGE IN GRADING SYSTEM

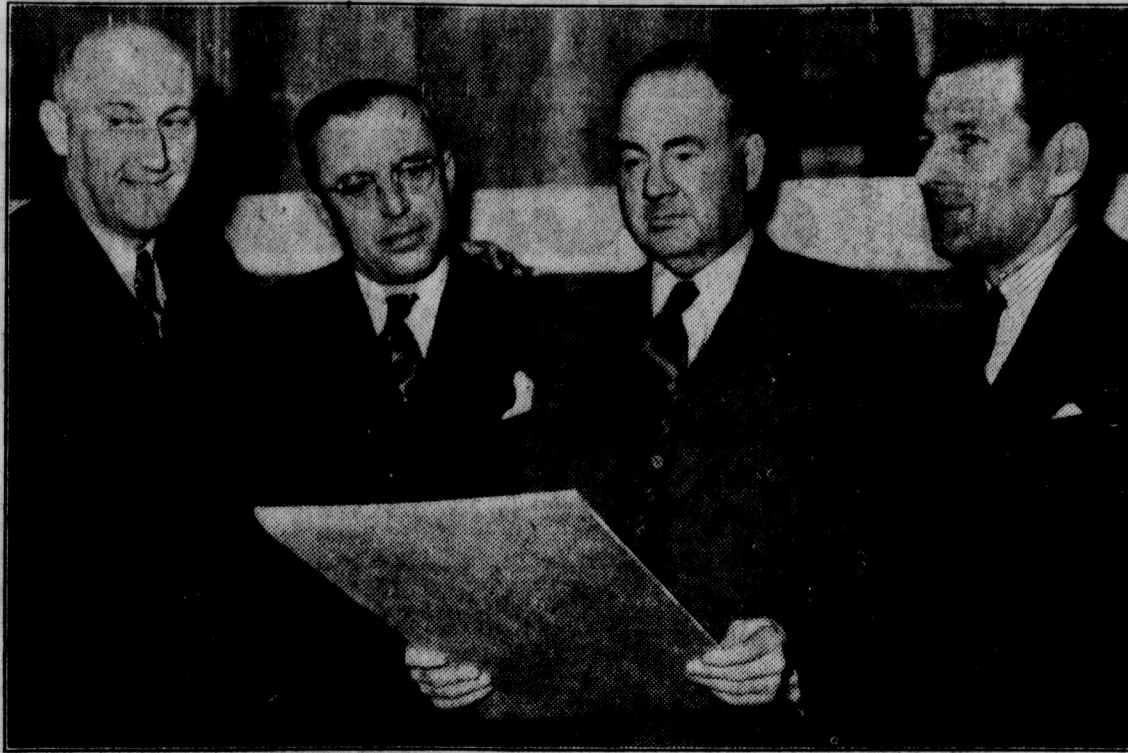

SAN MATEO, Mar. 13—Abandonment of the time-worn system of grading by subject and institution of a grading plan to develop the "whole personality" of pupils in San Mateo elementary schools was announced today by Supt. Leil L. Young. Effort expended in improvement noticed, "rather than the pupil's achievement at any given time," will be considered, Young said.

Safecrackers Loot Cleaner's of \$95

Safecrackers broke into the front office of the New Method Cleaners and Dyers establishment at 420 Maple St. sometime Saturday night and looted the safe of \$95 in cash and currency.

Chief of Police C. L. Collins, who investigated, said the burglars were experts. Gloves were used, and there were no fingerprints. Entry to the building was gained through a side window. The burglars left through the front door after looting the safe.

Eddie Raymond, proprietor of the establishment, discovered the theft when he went to the building Sunday. He told police that the back shop and clothing on the racks were not disturbed.

Chief Collins said the burglar knocked off the combination and "floated" the lock with a pin, "in the best safecracking manner."

Educator Succumbs While Visiting Son

PALO ALTO, Mar. 13—Dr. Moses Bittenwieser, 66, professor of biblical exegesis at Hebrew Union College, Cincinnati, died Saturday night at a Palo Alto nursing home.

He had come here last December to visit his son, Paul Bittenwieser, former Stanford University research worker who attracted attention last August when he and Mrs. Bittenwieser adopted 3-year-old Rowena Chan, Chinese girl whose parents returned to China.

Dr. Bittenwieser, a native of Germany, where he was educated, had been with Hebrew Union College since 1897.

Mrs. Maria Canavese Dies at Son's Home

Mrs. Maria Canavese, mother of Victor Canavese, gardener at the Sommers Estate on Mountain Home Rd., Woodside, died Sunday afternoon. She was a native of Italy, having come directly to Woodside, nine years ago to live with her son. Her husband, Pietro, died in 1914.

She also leaves three daughters: Beatrice Canavese of Woodside, Mrs. Dina Delfino of St. Helena, and another in Nice, France.

There are geological indications that at three different times the seas now covered the land that is Texas.

SAINT PATRICK'S DAY

Special
m-m-m-m-m

Enjoy the mouth-watering thrill of Safeway's special kind of Corned Beef for the traditional St. Patrick's Day feast.

Safeway's expertly controlled curing process... the use of top quality prime steer beef assures the maximum of fine flavor, uniformity and tenderness in this popular, economical meat.

An Easy Way to Cook Safeway Corned Beef

Place meat in pot with plenty of water so meat is well covered. Add one onion, some bayleaf and bring to boiling point. Turn fire low and simmer until tender. (Figure 25 minutes to a pound)

Cabbage by the Pound?

Yes! Safeway's cabbage is sold by the pound, instead of by the head, so you receive full value. Each head wonderfully crisp, sweet and tender.
